

### **Listing of Claims**

This listing of claims will replace all prior versions, and listings of claims, in the application:

1-18. (canceled)

19. (currently amended) The method of claim 44, wherein the method is used in the treatment of a patient suffering from a tumor, and wherein the method comprises contacting tumor cells from the subject with an amount of said antibody effective to ~~prevent or~~ treat the tumor.

20. (previously presented) The method of claim 19, wherein the tumor cells are selected from the group consisting of adrenal, nervous system, lung, colon, ovarian, prostate, chondrosarcoma, pancreas, or breast.

21-43. (canceled)

44. (previously presented) A method of inhibiting or suppressing growth of a tumor cell, the method comprising:  
contacting the tumor cell with an effective amount of an antibody reactive with at least one of the peptides set forth as SEQ ID NO: 2 or SEQ ID NO: 3;  
thereby inhibiting or suppressing growth of the tumor cell.

45. (currently amended) The method of claim 44, wherein the tumor cell is in a subject, and wherein the method is a method of treating the subject.

46. (previously presented) The method of claim 44, wherein the tumor cell is an adrenal cell, a nervous system cell, a lung cell, an ovarian cell, a prostate cell, a chondrosarcoma cell, a pancreas cell, or a breast cell.
